NEW RULES CONCERNING ANNOUNCEMENTS FOR THE WHOLE YEAR.

As we are changing the announcement cancellation period we would like you to try the following;

It is also possible in 2007 to make your announcement for the whole year. Because of the experiences in the past 2 years we have made some rules for this privilege.

These rules are:

- a. Payment of 4 times the entrance fee in advance at the beginning of 2007 (4 x 140 €= 560,00 €) to the IBPF account.
- b. Payment of the last 3 times of the entrance fee before 01.08.2007.
- c. This payments can be made via: (We will send an invoice to your E-mailaddress)
 - Bank.
 - Pay Pal
 - Cash

If the payment is in our account or paid cash, the announcement is valid and you are automatically announced for the whole year. Announcing for the whole year gives you the following advantage:

Cancellation:

Once you have paid the above and you have to cancel your participation for a certain event, the following is very important:

1. The cancellation deadline is accreditation day before 14.00 hours.
(If you cancel later or don't show up at the event you will lose the entrance fee for that event.)

The cancellation date if you are not announced for the whole year will be 1 week prior to the event !!!!!

Accreditation:

2. It is not necessary for you to be at the accreditation. You can make your travel arrangements (If possible of course) so that you are at the venue 30 minutes before your first match.

If you decide to announce for the whole year, please send me an E-mail were you express your Intensions, with also your wish how to pay the amount of money.
