EPBF Referee Course

Dear friends of sports,
each host and most of the participants in a European Championship were impressed and delighted about the work of the EPBF referees and because of the fact that we send our referees also to World Championships, I can assure you that also the WPA is satisfied with the work of the EPBF referees.

This is the proof that it was a good decision to build up a squad of EPBF referees and we will go on with the education.

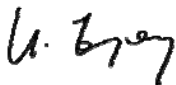

The next course is during the Euro-Tour event in Sindelfingen. You get as attachment all information and the announcement form.

But we have also another offer: We organize a course within your federation !

You must guarantee a minimum of 10 participants and please have in mind that the course will be held in English. When you are interested, please contact us up to **29.2.2008** for talking about the details as date, venue, costs etc.

best regards
